About Us:

Growing Leadership at Its Roots

Rooted in the belief that strong foundations cultivate outstanding leaders, AMACON Lead® thrives at the intersection of tradition and innovation.

Our logo, a robust tree, symbolizes growth from solid roots, mirroring our approach to leadership development - deeply grounded, yet always reaching upward.

A Visionary Founder

Our founder, Philipa O. W. Biritwum, brings a unique blend of expertise in business psychology and strategic business management, along with her extensive executive experience across multiple sectors. This rich background informs our programs with best practices and innovative solutions.

As an interim executive leader and academic, Philipa brings sharp insights and pragmatic strategies to AMACON Lead®, enhancing the accessibility and adaptability of our leadership excellence.

AMACON Lead®

Our 3 Pillars

MentCoPro®

Mentoring & coaching

Dynamic workshops

Leadership Development

Shape visionary leaders equipped to handle tomorrow's challenges

Business Leadership

Interim leadership & strategic advice

Real-world efficacy

MentCoPro®

- Fusing mentoring and coaching with dynamic workshops, we enhance team building and personal leadership acumen for current and future leaders and career development.
- Our workshops deliver actionable strategies for effective leadership and team dynamics, empowering every participant to implement immediate changes.

Leadership Development Programs

- Dedicated to molding visionary leaders equipped to handle tomorrow's challenges, our programs emphasize ethical behavior, transformational tactics, and the well-being of both leaders and their teams.
- We prepare leaders not just to succeed, but to transform their environments positively.

Business Leadership

(Interim Leadership and Strategic Advisory)

- Providing interim leadership and strategic advice, we help organizations navigate transitional periods with confidence.
- Our strategies are grounded in real-world efficacy, tailored to align with your unique organizational culture and business objectives.

Our Leadership Development Programs

We design our leadership programs to prepare individuals for the real-world challenges of today and the future. Grounded in ethical practices, transformational leadership, and a strong focus on well-being, our programs are crafted to help leaders grow personally and professionally, fostering a positive impact on their teams and organizations.

Rock Your Leadership Journey: Level Up Program

Ideal for new and mid-level leaders looking to boost their skills. This intensive program focuses on building a strong foundation in decision-making, team management, self-awareness and well-being.

(2-3 days)

Leadership Accelerator: Empowering Senior/Executives for Success

Tailored for senior leaders and executives, this program dives deep into strategic leadership, ethical decision-making, and driving impactful change across the organization.

(3-4 days)

Women in Leadership

A focused program designed to empower women leaders, providing tools and strategies for navigating leadership challenges, building influence, and fostering inclusive team cultures.

(1 day)

Organizational Leadership for Start-Ups and Scale-Ups

Perfect for founders and key leaders in start-ups and scaling businesses. This program emphasizes agile leadership, strategic growth, and adapting quickly to dynamic business environments. It focuses additionally on self-awareness and well-being as well as stress management.

(1 day)
